Some Farm State Republicans Support Bill

Ike Ponders Action On Farm Measure

By The Associated Press

President Eisenhower grappled today with the problem of what to do with the politically significant farm bill. Meanwhile, Democrat Adlai Stevenson raised the "special interest" cry against the Eisenhower administration.

Stevenson and Sen. Estes Kefauver of Tennessee, competing for the Democratic presidential nomination, both belabored the administration as they campaigned separately through Florida in preparation for their clash in the state's May 29 primary.

Eisenhower arranged to thresh out the farm bill problem with his chief agricultural and economic advisers in a conference at his Augusta, Ga. vacation headquarters.

Some farm state Republicans—those that Eisenhower allow the bill to become law despite his outspoken opposition to key parts of it—reportedly had gained the backing of Republican National Chairman Leonard W. Hall.

There were indications Eisenhower may act on the bill next week when he returns to Washington. Some reports said he would veto it. But the Little White House

gave no hint of what the President might do. He has said the measure does not meet the test of a good bill.

What Eisenhower finally decides—whether to sign the bill, veto it or let it become law without his signature—is likely to have far-reaching impact in this national election year when Democrats are making a prime issue of continued depressed farm income.

The Constitution gives the President 10 days—Sunday excluded—to sign or veto a bill after it reaches him. If he does not act within that time, the bill becomes law automatically if Congress is still in session. The bill was delivered to the White House Thursday, and Eisenhower thus has until midnight April 24 to act.

As Eisenhower huddled with Secretary of Agriculture Benson and Gabriel Hauge, his top economic adviser, along with other officials, Stevenson and Kefauver pushed their rival campaigns for Florida's 28 votes at the Democratic presidential nomination convention next August.

Mount Union Official Wins Twin Honors

ALLIANCE — Twin honors came today to Wilbur E. Couchie, business manager of Mount Union College, with announcement of his election to the presidency of the Ohio Association of College and University Business Officers, together with word that he has been awarded a Carnegie Grant for a special workshop in college business management to be held at the University of Omaha.

Couchie, a graduate of Mount Union, will serve as association president for one year. Election was held at the annual meeting of the association in Columbus. He succeeds Roland Matthies of Wittenberg College.

Couchie came to Mount Union in 1950 as business manager. Previously he had served with a Cleveland firm of certified public accountants. A member of Sigma Alpha Epsilon fraternity, he serves also as vice-president of the Ohio group of the National Association of Educational Buyers. He is also a member of Beta Alpha Psi, the national honorary accounting fraternity. He holds a master's degree in accounting from Ohio State University.

The announcement of the Carnegie Grant means that all tuition, fees, travel, and living costs for an intensive one-week program for college business officers is being supplied by the corporation. The announcement pointed out that only one business officer in Ohio was named a recipient of this scholarship for the 1956 workshop to be held July 22-28.

Couchie's brother, Glenn, resides in Salem at 1233 Mount St. Their parents, formerly of Leetonia, live near Columbiana.

Sesqui Anthem, Song Winners Are Announced

Mrs. Donald Hindman and Mrs. Homer D. Paxson have been proclaimed winners of the Salem anthem and queen song composition contest sponsored by the sesqui-centennial committee.

Mrs. Hindman wrote the music score and Mrs. Paxson the words for both the anthem and queen song entries.

The compositions will be used by various vocal groups throughout the week-long sesqui celebration June 9-16.

Honorable mentions were awarded to Mrs. Evelyn Greer Barnes, Carroll Rogers and Plummer Riddle.

According to the judges, the first place selections were chosen because of their "good singable melodies and well written words" as well as simplicity of style and easy presentation.

Riddle had submitted four entries in the contest. The judges said the honorable mention compositions were well-written but not suited for group singing presentation.

Seventeen songs were examined by the judges, headed by Homer Taylor, who included F. Edwin Miller, Howard Pardee, and Nelson Bailey.

Entries may be claimed at the temporary sesqui headquarters at 140 Penn St.

Frontier Quiet As U.N. Envoy Continues Talks

Grand Jury's Hearings Ended; Report Awaited

Police Burglary Ring, Gambling Conditions Head Investigation

LISBON — The April grand jury, which Friday completed almost two weeks of hearings, probably will report Monday, Columbiana County Prosecuting Attorney James L. MacDonald said today.

The jury recessed Friday at 3:40 p.m., after hearing testimony from a single witness, E. Allen McKeever, former mayor of East Liverpool.

The jury was impaneled Tuesday of last week. It investigated an assortment of charges against 15 defendants Tuesday and Wednesday, and then began its probe of an alleged East Liverpool police department burglary ring and the gambling situation in the county.

A large number of East Liverpool officials and police, along with known county gamblers, were subpoenaed by the jury. Among the East Liverpool officials testifying were Mayor Arnold Devon, Safety-Service Director William C. Heasley, Council President Bert Goodballet, former safety service director Thomas Enoch and Police Chief John T. Russell.

Also testifying were Atty. Frank Springer of East Palestine and Atty. Howard Cole of Lisbon. Springer was prosecuting attorney and Cole, grand jury foreman in 1945 when that year's grand jury investigated gambling conditions in the county.

Gambling equipment worth an estimated \$4,000 has already been uncovered by the present grand jury probe. The equipment was hauled out of a cellar of the home of James Dauka of East Liverpool Tuesday afternoon by East Liverpool police.

The gaming equipment included a crap table, a roulette wheel and layout, and a chuck-a-luck outfit. Chief Russell said County Prosecutor MacDonald indicated he suspects the equipment was hauled out of an East Liverpool joint possibly after a padlock order against three gambling rooms in East Liverpool was issued by Common Pleas Court Judge Joel H. Sharp.

The seven East Liverpool policemen and special patrolmen charged with burglary or possessing stolen goods are policemen Ira W. Cunningham, 50, Robert Carroll, 33, Louis Stutler, 33, Robert Hanna, 31, and Robert McBane, 35, and special patrolmen Jerry Raymond and Dallas E. Bishop.

'Fast Time' Goes Into Effect April 29

Salem is among 25 Ohio cities scheduled to go on Daylight Saving time Sunday, April 29—two weeks hence.

"Fast time" also has been proposed for two other cities, Cambridge and Barnesville, but definite action has not been taken. The Ohio State Council of Retail Merchants explained.

All cities in this district will advance their clocks one hour come April 29. Daylight time continues then until the last Sunday in September.

The merchants' council also listed store hours for 93 Ohio cities—a list that showed most of the cities preferred Friday as the day for late closing hours. A total of 47 of the 93 cities surveyed have late closing hours on Friday, usually 9 p.m.

Thirteen of the cities have two days of late closing hours each week, and one—Lakewood—has three.

Twenty-eight of the cities have late closing hours on Saturday, 21 on Monday, 3 on Tuesday, 3 on Wednesday and 2 on Thursday.

Seventy-one of the 93 cities' principal stores have half-holidays during the week, some for the summer months only. Of these, 47 prefer Wednesday for the half-holiday, and 24 prefer Thursday.

Mightiest Ship Commissioned

Carrier Saratoga Will Join Fleet

NEW YORK (AP)—The Navy today commissions its mightiest ship yet—the aircraft carrier U.S.S. Saratoga.

She's bigger, faster and more powerful than any ocean fighting vessel afloat.

If she were turned on end, she'd reach the 80th floor of the Empire State Building. She's wide enough to set two of the world's largest passenger liners side-by-side on her deck.

Three Years To Build More than three years in the building, the Saratoga joins the fleet today in a blaze of ceremony, music and newly hoisted flags, with fighter squadrons sweeping overhead.

Federal and state notables, including Navy Secretary Charles S. Thomas, are to take part in the commissioning on the huge flight deck of the ship, berthed at Brooklyn's naval shipyard.

The Saratoga, bearer of an illustrious name in American naval history, is the second ship to be launched of the class of the carrier U.S.S. Forrestal, but she embodies advances over her sister ship.

Five Blocks Long She's about five city blocks long, and about a block (252 feet) wide, with a flight deck more than four acres in size.

Her two acres of hangar space for the some 100 planes she'll carry bring the combined flight operations area to more than six acres.

The entire population of a city of 40,000 could stand on her decks. In height, from keel to top mast, the carrier rises to the equivalent of a 25-story building. She'll carry a crew of about 3,800 officers and men.

Taking over as her commander is Capt. Robert J. Stroh, 48, a New York-born career officer who weathered some of the hottest Pacific fighting in World War II.

Rainier's Chaplain Reports Actress Has Relaxed Prince

MONTE CARLO (AP)—Prince Rainier's American chaplain said today Grace Kelly had made her future husband happy and relaxed in the 48 hours they've been together in Monaco.

"She did in one day what I've been trying to do for six years—make him happy and relaxed," the Rev. Francis Tucker, told reporters.

"I've never seen my boy so happy. My work is done." Father Tucker, of Wilmington, Del., played a major role in the romance. He arranged for the prince to visit the Hollywood actress last Christmas Eve at the Philadelphia home of her parents.

The engagement followed. Blocked Photographers Shortly after noon Rainier drove out of the palace with Grace at his side and swept off down the steep road toward Monte Carlo. A wall of policemen formed behind them, blocking off a double wall of photographers who tried to follow.

Meanwhile, many of the American wedding guests were greeting each other with "what did you hear from Grace?" They have found that the walls of Rainier's palace are even thicker than they look.

Neither the American guests nor even the bridesmaids have managed an exchange of hellos with Grace since she took up residence in the 129-room palace overlooking the Mediterranean. The palace switchboard has stalled all efforts to get through to Monaco's next princess.

But they'll have a chance to get together tonight when the parents of the bride, Mr. and Mrs. John B. Kelly, kick off the social events with a party for the wedding guests.

Since her arrival, she and the Prince have been trying to lead a life uncomplicated by the functions which will burden them next week.

They have had some success despite a brief encounter Friday with a photographers' roadblock. The road block so angered the Prince that he barred all photographers from the palace.

That didn't settle photographers too much because they hadn't been allowed in the palace anyway. But it dampened their hopes of gaining entrance to the guided throne room Wednesday to photograph the civil ceremony. The photographers rained protests on the palace.

After their encounter with the photographers, the Prince and Grace retired behind the palace walls. A palace source said Rainier had decided to avoid public appearances as much as possible before the wedding.

Forro also declared it was common practice for collectors to pay for their lunch from the parking nickels, Eaton said.

"Nobody pays for his lunch in that department. Everyone takes 80 cents or a dollar for lunch each day," Eaton quoted the collector as saying.

Forro was arrested as he was getting into his automobile at the rear of City Hall. Police said he was carrying a paper bag containing 700 nickels and had 608 more nickels in his car. A search of his home turned up another \$1,000 worth of nickels, police said.

Detective Chief James E. McArthur said he would be charged with embezzlement.

Five Israeli Soldiers Hurt By Land Mine

Hamarskjold Says He Has Done In Cairo What He Came For

CAIRO, Egypt (AP)—U.N. Secretary General Dag Hammarskjold held more peace talks with Egyptian leaders today.

There was relative quiet along the tense Israeli-Egyptian frontier, but a Jerusalem dispatch said five Israeli soldiers were wounded today when their military vehicle was blown up by two landmines near Nirytzhaq, east of the Egyptian-held Gaza Strip.

Prior to this incident there has been quiet in that sector for two consecutive nights.

Hammarskjold talked for 30 minutes with Premier Gamal Abdel Nasser and for an hour with Foreign Minister Mahmoud Fawzi. He said he would meet again with Fawzi before returning to his temporary headquarters in Beirut this evening.

Asked About Results Asked by reporters if he considered his Cairo mission successful, Hammarskjold said tersely, "I've done in Cairo what I came for."

The secretary was accompanied to the talks by U. N. trustee chief Maj. Gen. Burns and two U. N. experts, Henri Vigier and John Ridman. He was to return to his temporary headquarters in Beirut later today.

The secretary's mission appeared to have succeeded in clamping at least a temporary lid on the smoldering frontier situation.

Vehicle Fired On In Jerusalem, an Israeli military spokesman said an Israeli police vehicle was fired on near Mervon, Upper Galilee, in northern Israel near Syria today. No casualties were reported. Israel had charged there were two new Arab incidents Friday, but neither involved the frontier with Egypt.

An Israeli army spokesman said a child in Jerusalem's Israeli sector was wounded by fire from the Arab quarter. Israeli workers also were reported fired on in the central Jordan River Valley.

Both Israel and Egypt have given Hammarskjold written assurances they will refrain from hostile acts. The pledges were followed by a brief aerial dog fight and an exchange of border fire Thursday. Then quiet prevailed.

Egypt was said to have given further assurances that she has pulled Arab commandos out of Israel. Israel accused the raiders of killing 14 and wounding 32 in the past week.

Hammarskjold, who is expected to spend a month conferring with Arab and Israeli leaders, is scheduled to push on to Israel Monday after a weekend of staff work at Beirut.

Bible Words for Today

2 PETER 1:9—"The man whose life fails to exhibit these qualities is shortsighted—he can no longer see the reason why he was cleansed from his former sins." (Phillips—"Letters to Young Churches")

The writer of this epistle had been speaking of goodness, a goodness that is accompanied by knowledge—spiritual knowledge—giving the believer an ability to endure as a real soldier of the Cross of Christ. Obviously if one endures, as a Christian, in days like the ones in which we are now living, one must have a real trust in God. That, in turn, observes the apostle, causes the believer to exhibit a deep quality of brotherliness, born of love.

Men make the patterns of life, therefore God give us men with a vision to see and understand God on the higher level of the soul. This done our future is assured.

Peter tells us if we do not observe this simple, trusting rule of God, we are short-sighted. Surely we do not want to be short-sighted, but men of God with a vision for a whole world in Christian Love. This would make hate sink into insignificance.

Confident Living How To Find Harmony

By NORMAN VINCENT PEALE

I recently read a statement by Dr. Clarence Cook Little, director of the Roscoe B. Jackson Memorial Cancer Research Laboratory at Bar Harbor, Maine. Dr. Little is one of the great scientists in this field.

"A person who is unhappy," he is reported to have said, "is more likely to develop cancer than one who is leading a happy, satisfactory life. Internal balance is health and internal unbalance is sickness. These bodily functions are controlled by glands that are influenced by mental health."

Now, I am not a doctor, and I cannot assure you that this is true. But, I am willing to accept Dr. Little as an authority on this subject — and I do know, from my own experience and that of many others that the surest way to make yourself sick is to get your mind bogged down with unhealthy thoughts.

Happiness and joy are synonyms for harmony, and harmony is one of the greatest forces in the world in developing a state of well-being. When a person is in harmony with himself, his whole being functions without inner conflict. When he is in harmony with the universe, he is healthy, dynamic and powerful. When he is out of harmony with himself and the world about him, he tends to fall prey to disease, unhappiness and his energy declines.

Once when addressing a group of machinery manufacturers, I developed this idea of personal well-being. The members came to me and said, "After the meeting, one of the members came to me and said that my statement was particularly appropriate for that group, because when you make a machine, 'The objective is to make it so that it will sing as it works.' For, when it sings, he explained, it is functioning with harmony in all its component parts. A machine does not function properly or efficiently unless the stresses or frictions in it are reduced to a minimum. 'Listen to a machine that is perfectly made,' the manufacturer told me, 'and one in which the stresses have been reduced, and you will hear it sing in harmony.'"

Men who work with machinery know that this is true. I became conscious of it just the other day, flying in an airplane through some bad weather. The fog was so thick you couldn't see at all. I got to listening to the great motors. They sounded as though they were working together in perfect harmony and I became aware that they were literally singing with joy because their stresses had been reduced and they were powerfully and efficiently performing.

If machines are capable of this harmony, why not human beings? To live with harmony, one must learn to practice joy and happiness. This is one great thing that the practice of religion does for you. It released you from your fears and conflicts and therefore fills you with joy. Turn to the Bible, to John 13:17, "If ye know these things, Read the Bible and find out what happy are ye if you do them." "These things" are that the verse mentions. You know what they are: love, service and genuine goodness. Then practice joyful thinking every minute of your day. Keep it up until you become expert at it.

This will help reduce your stresses by freeing you from fear, from hate and from evil thoughts. The daily reading of the Bible will give you an ample store of courage, love and noble thoughts. Substitute these for the unhappy thoughts that create stress. This can be done with practice. It isn't easy to change old thought patterns, but it can be done, and it is most important if you want to live well.

Your final step in finding harmony is in synchronizing and identifying your personality with God, who is the source of all inner and outer harmony in the universe. Get God's harmony in you, and forever after you will live in harmony within yourself and with other people.

ANNIVERSARY SPECIAL

“LIKE FATHER—LIKE SON”

Something's in the making here. Maybe it's a garden. Maybe it's nothing more than a ditch. But what really counts is that father and son are working together happily.

Sonny may be more hindrance than help just now. But, says Dad patiently, "How ever will the boy learn if he doesn't do?"

When you watch, with ebbing patience your child's fumbling efforts to imitate yours, do you ever think about your heavenly Father's patience with you when you are in the wrong?

He's right there, working alongside you too, wanting to show you how to carry on, and staying close by in case you get into trouble.

If you keep in touch with Him through prayer and regular church attendance, you will learn from Him how to live, just as your child learns from you through talking and being with you.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

40 New Members Enrolled In Salem Historical Society

Forty new members have been enrolled in the Salem Historical Society in the past month as the result of a pre-sequicentennial celebration membership campaign being sponsored by the society.

Names of those enrolled in the next 30-day membership drive will be included on the society's roster, which is to be placed in the sequicentennial "time capsule." In this "capsule" will be preserved documentary and recordings of past and contemporary history of the city. The "capsule" is a feature of the sequicentennial celebration program.

Mrs. Bernice Burkle, chairman of the membership committee, reported at the Tuesday evening session of the society, that more than 600 citizens had been contacted through membership cards.

The society has appropriated \$150 to purchase a bronze plaque to be placed on the bell from Salem's old historic hall. In May, 1954, this bell was set on a concrete base and placed at the entrance of Centennial Park.

Matt Melitschka Jr., chairman of the bell project, reported that the dedication ceremonies will take place some time during the sequicentennial celebration week. The plaque will be a memorial to Miss Alice MacMillan, whose pioneer family operated the MacMillan Book Store, E. State St., for almost a century. The store is now owned and operated by Miss Ora Vincent.

Plans Complete For Antique Show

The Salem Federation of Women's Clubs is again sponsoring an antique show this spring. The event will be held in the Memorial Building next Friday, Saturday and Sunday. The doors will open at 11 a.m. Friday and Saturday, and at 1 p.m. on Sunday. Closing time each day will be 10 p.m.

Mrs. Ned Massa and Mrs. J. J. Bogar head nine committees comprised of 150 workers. All federation members will contribute to the food booths which will be open during show hours.

Proceeds from the benefit show will be used for the upkeep of the Smucker House, the meeting place for the 17 member clubs of the federation, comprising about 700 women. Mrs. Joel H. Sharp is president of the federation.

The antique show is a fitting prelude to Salem's sequicentennial celebration, which will follow in June. H. Ogden Wintermute, manager of the show, called last year's show a great success and promises that this year's displays will be even bigger and better.

Committee chairmen are: Special prize, Mrs. John Kuenzli; treasurers, Mrs. Frederick Koenreich; and Miss Eleanor McMurray; buffet, Mrs. Clifford Segeman; dining room, Mrs. Martin Lee Roth Jr.; pick-up, Mrs. Chester Ping; admission, Mrs. Irving Megral; publicity, Mrs. F. 300 At Am-Standard Laid Off For Week

Three hundred workers at the American-Standard (Mullins) plant will be affected by a week's furlough, starting Monday.

Four hundred workers at the firm's Warren plant also will be affected by the brief layoff which company officials explained was necessary.

Company officials said the action was necessary because of an unbalanced inventory situation, caused by adverse weather conditions in many parts of the nation, preventing builders from completing new homes on schedule.

It was pointed out that shipments at this time of year normally begin to increase, but the poor building conditions have conspired to prevent this from occurring.

About 400 employees at the Warren plant are affected, although it was said limited production will be maintained in some departments. Production will be halted at the firm's wall cabinet plant in Salem where approximately 300 are employed. A department making special items will continue to operate.

It is expected that all furloughed employees will return to their jobs Monday, April 23.

Farm Bill

Continued From Page One

Assn., Stevenson mentioned "special interest" which he said is "again enthroned in Washington and sits in most of the seats around the Cabinet table."

Stevenson accused the administration of being "dedicated to well being of a single economic interest—business and the biggest business at that." He referred specifically to General Motors Corp.

In St. Petersburg, Kefauver said he supports health insurance plans "such as those that Eisenhower has talked about but done nothing about."

In the farm bill situation, pressure was building up on Eisenhower from both sides.

In a Pittsburgh news conference Friday, Charles B. Shuman, president of the American Farm Bureau Federation, described the farm bill as "utterly bad."

He urged the President to veto it. After that, Shuman said, Congress "should forget the political setting and try to write a workable farm bill."

Sources in Washington quoted Hall as telling some members of Congress he believes a veto would be a political "mistake." However, Hall was said to be offering little hope he could influence Eisenhower's decision in this matter.

Sen. Hickenlooper (R-Iowa), who is up for re-election, and Chairman Cooley (D-NC) of the House Agriculture Committee were among those urging publicly that the bill be signed.

In Des Moines, Gov. Leo Hoegh of Iowa said he and the GOP governors of Kansas, Nebraska, and South Dakota have arranged tentatively to carry to the President on Monday a personal appeal to sign the bill.

640-Pound Man Weds 360-Pound Sweetheart

JACKSON, Tenn. (AP)—A 23-year-old man, who says he weighs 640 pounds, married his 360-pound sweetheart Friday night.

W. D. Cowland of Erie, Pa., and Mabel Ruth Watkins, 21, of Alliquippa, Pa., were wed in the bus used by a traveling show in which Cowland appears. Technicians from a medical laboratory here and deputy county clerks had to go to the bus to take blood tests and issue the marriage license.

Cowland, because of his size, couldn't manage the trip to the courthouse.

The new Mrs. Cowland said she will join the show. The couple doesn't plan a honeymoon.

Require Schools To Teach U.S., Ohio History

COLUMBUS, Ohio (AP)—E. S. Harrison, a state school supervisor, says the Ohio Department of Education will require that students in the state's public schools be given a full year of both American and Ohio history before they reached the ninth grade.

Harrison said the department's ruling was based upon its interpretation of a law passed at the last session of the Legislature requiring that the two histories be taught in Ohio public schools.

Harrison spoke Friday before a panel discussion of the new law at the semi-annual meeting here of the Ohio High School Principals Assn.

Harrison told the school officials the department had ruled that the histories must be taught as graded, separate subjects.

In many Ohio schools both subjects are part of a social studies course.

M. W. Harper, principal of Cleveland Heights junior high school, said that a recent survey of 165 Ohio schools revealed that only 16 had no instruction in either American or Ohio history. But the courses taught in the other 149 schools ranged in length from two to 30 weeks, Harper said.

A statement by Harrison that the education department might also require students to pass the courses before being advanced to a higher grade brought objections from the floor.

Several principals said they thought the matter of whether or not to require a passing grade in the courses should be left to the individual school.

Harrison outlined the courses of study for the seventh and eighth grades recommended by the education department. They are:

Seventh grade—English, mathematics, science, geography.

Eighth grade—English, mathematics, Ohio history, American history.

The two day meeting of the association ends today. Over 200 school officials from throughout the state are attending the sessions.

Daily Worker Admits Stalin Purged Jews

NEW YORK (AP)—The Communist Daily Worker says it has "apparent confirmation" of a bloody purge of Jewish leaders in Russia during Stalin's reign.

The newspaper admitted in an editorial Friday that it had been "too prone" in the past to repeat Communist denials of anti-Semitism in the Soviet Union.

The editorial appeared to be another blow in what has become a worldwide Communist party attack on Stalinism.

The Worker, mouthpiece for the American Communist party, demanded Russia's present leaders make public all the facts of the purge.

"We register our strong dissatisfaction that the Soviet leaders have not offered any explanation of what took place," the editorial said.

A spokesman for the broadcasting firm said McCarthy and officials failed to agree on a new contract. McCarthy joined the station in 1942.

Adlai, Kefauver Shake Hands In Florida

TAMPA, Fla. (AP)—Bedlam broke loose Friday on the school grounds of a junior high school when two men shook hands and said: "Hello, Estes," and "Hello, Adlai."

Adlai Stevenson and Estes Kefauver, each seeking the Democratic presidential nomination, met on the grounds of Phillips Shore Junior High.

Hundreds of school kids screamed and cigar workers in a plant across the street let out a big whoop heard for blocks.

Congressman Bob Sikes, who is Stevenson's Florida campaign manager, pinned a Stevenson campaign button on Kefauver and the Tennessee rustled up one of his own with which to tag Stevenson.

After pinning Stevenson, Kefauver said: "I congratulate you on joining the cause."

And Stevenson quipped: "May the best man win—Adlai Stevenson."

Kefauver was winding up a talk at a cigar plant when Stevenson's car pulled up at the school. The children swarmed about Stevenson to shake his hands.

Kefauver then walked across the street and that's when the whoop came.

Stevenson noted that Kefauver was carrying a box of cigars which he had obtained in the plant visit and cracked:

"You don't mean to tell me you are taking corruption publicly?"

They both joined in the laughter. When the brief meeting broke off, Kefauver remained at the grounds to sign autographs and Stevenson went handshaking through cigar plants.

This was the first meeting between the two Democratic rivals since Feb. 5 at a convention of the California Democratic Club at Fresno.

Police Still Seeking Murderer Of Woman

CINCINNATI (AP)—Police today were still looking for a solid clue to the murder of a young matron in suburban Hyde Park last Wednesday.

Investigators Friday night questioned a 24-year-old Camp Dennison man in the case, but said no link between him and the knife slaying of Mrs. Audrey Evers Pugh, 34, had been determined.

The victim was found dead by her husband, William W. Pugh.

Governor Still Won't Pay His Income Tax

SALT LAKE CITY (AP)—Utah's Gov. J. Bracken Lee said Friday he got a letter from Secretary of the Treasury George Humphrey telling him he had better pay his federal income tax by Monday.

But Lee said he wouldn't.

He said Humphrey wrote him that if he didn't, then the Internal Revenue Service would "proceed in the usual manner to collect the taxes . . . by filing a lien and levying on assets."

"I wrote him back," said Lee, "asking him to clarify what this 'usual manner' is."

"I want to know if he means that they'll just move in and confiscate property and money without due process—like they've done in the past at times—or if they'll have a court order?"

Lee, a Republican, withheld part of his income tax payment when he filed his return Jan. 13—on that portion of his income above his \$10,000 governor's salary. He said he wants to test the constitutionality of the tax itself, and the use of tax money for foreign aid.

Tax Relief For Local Governments Assured

COLUMBUS, Ohio (AP)—Ohio's Legislative Service Commission Friday adopted a resolution affirming its belief that the General Assembly will come to the financial rescue of local governments.

The resolution was introduced by Sen. C. Stanley Machem (R-Athens), Senate majority leader.

Local governments were deprived of a major source of revenue by a recent decision of the Ohio Supreme Court knocking out a

Warren Has No Money For Payroll Monday

WARREN, Ohio (AP)—Mayor William C. Burbank says he sees little hope for solving the city's financial problem in time to meet the city payroll Monday.

A dispute between the mayor, a Republican, and the Democratic majority of City Council has resulted in the city administration being without authorization to spend funds for most governmental functions since April 1.

The situation developed when the mayor vetoed a \$1,291,000 appropriation measure. The Democrats hold a 6-4 majority in the council but were unable to muster the required seven votes to override the veto.

Mayor Burbank said he vetoed the measure because the Democrats were trying to curtail city services and embarrass the administration. The legislation did not provide for salaries of certain Republican jobholders.

The mayor said Friday he hoped the matter would be cleared up at council meeting Monday night.

Some of the city's 400 employees have applied for vacations so they can take other jobs temporarily and others have applied for other work.

City offices have been handicapped because they are without funds for day-to-day expenses. The money is available, but the city can't spend it.

Salem, Springfield Twp. Tie In Track Meet Here, 65³/₄-65³/₄

Quakers Come From Behind

Alexander Scores 17 Points For Salem

By BOB MCARTOR

The Salem High School track team, trailing Springfield Township by four points going into the final event, came up with six points in the broad jump, while Springfield managed only two and the triangular meet Friday ended in a 65³/₄-65³/₄ deadlock.

Allen Stevens of Springfield Township was the outstanding star of the meet, placing first in three events and scoring second in the high jump. Only a sophomore, Stevens topped first place in the pole vault with a jump of 11 feet, a first in the mile run, and took top honors in the half-mile. He finished second behind Salem's Jack Alexander in the high jump.

Stevens toured the mile in 4 minutes 46.2 seconds to set a new Springfield Township school record in that event. The old mark was 4 minutes 49.5 seconds.

He brought home a total of 18 points for his team.

JACK ALEXANDER was the outstanding performer for the local thirdgraders, scoring a total of 17 points. He took first place in his specialty, the high jump, with a leap of 5 feet 6 inches and tossed the shot put 43 feet 7 inches which was good enough for 5 points in that event. He also won the broad-jump which helped Salem tie Springfield.

Alexander was winning the 120 yd. high hurdles, but tripped on the next to the last hurdle which knocked him back to third place.

Herb Haschen of Salem won both of the dash events sprinting the century in 10.9 and the 220 in 23.7. He also anchored the half-mile relay team which won the race, but was disqualified because the baton passed between the second and third runners took place outside of the required zone. Ravenna was given first place.

Quaker captain Gary Painchaud finished second in both of the distance events. Last year Painchaud came within a few seconds of breaking the school record in the half-mile.

The Quakers dominated the weight events with Alexander taking the shot-put and Junior Fred Zeigler coping the discus with a heave of 126 feet 2 inches. John Buta of Salem came in second in the shot-put with a throw of 41 feet and Walter Good, a freshman, took third in the discus.

AT THE END of the first four events, the Quakers were leading second place Springfield 23-18. Springfield, however, picked up first place points in the next two out of four events, with Salem and Ravenna each taking a first in the discus and the 880 relay, to cut the Quakers lead to 38-37 at the end of eight events.

Stevens then tallied 10 points in the pole vault and half-mile and Dave Ohlin added 3 points with a second in the pole vault, while Salem picked up eight points and Springfield gained the lead with 10 events completed 50-46.

Springfield garnered 5 points with a second and a third in the 220 yd. to match Haschen's 5 points which he added with a first and Springfield retained their 4 point margin. Salem topped 5³/₄ points in the high jump while Springfield tallied only 3 and their lead was cut to two points, 56³/₄ to 58³/₄.

The visitors bagged the mile relay on a brilliant last minute sprint by their anchor man who nosed out Salem's Bill Holzworth by inches and with a single event remaining the Springfield squad was hanging on to a 63³/₄-59³/₄ lead.

Jack Alexander and sophomore Harry Izenour combined in the broad jump to give Salem 6 points and boost them into a tie with Springfield, who gathered 2 points in the final event, at 65³/₄ each. Ravenna Township finished third with 18³/₄ points.

The Quakers' next meet will pit them against Youngstown Ursuline Tuesday at Reilly Field. The meet will get underway at 4 p.m. with the pole vault and 120 yd. high hurdles.

Managers Predict Tight Races, All Claim Teams Are Better

By JOE REICHLER

NEW YORK (AP)—Major league managers, known for their peculiar optimism on the eve of pennant races, really outdid themselves today as they predicted the tightest races in history in both the American and National leagues and practically placed all second division berths out of bounds.

Yanks, Dodgers Picked By AP To Win Flags

NEW YORK (AP)—The 1956 World Series will be a repeat performance in the opinion of the nation's sports writers with the Brooklyn Dodgers representing the National League and the New York Yankees carrying the hopes of the American.

The vote of 130 writers in The Associated Press annual pre-season poll was so one-sided in both leagues that it was almost no contest. Nobody picked either team worse than third. The Dodgers, however, topped the Yanks in first place votes, 105-102.

Four other clubs in the National and three in the American received first place votes. Fourteen of the "experts" selected the Milwaukee Braves to win the NL pennant while seven favored the New York Giants, three the St. Louis Cardinals and one the Cincinnati Reds.

The Boston Red Sox topped 15 of the American League ballots. Eleven named Cleveland to win the pennant and one selected the Chicago White Sox.

On the basis of the poll the teams back of the Dodgers at the end of the National League Season will be in order: Milwaukee, St. Louis, New York, Cincinnati, Philadelphia, Chicago and Pittsburgh.

Boston's youth movement was figured to give the Red Sox runner-up honors in the American League followed by Cleveland, Chicago, Detroit, Kansas City, Baltimore and Washington.

Sam Snead Leads In Greensboro Open

GREENSBORO, N.C. (AP)—The shaping up into two distinct golf tournaments as it headed into its third round today.

One was dominated, as usual, by Samuel Jackson Snead, the coin collector from White Sulphur Springs, W.Va., and recent links companion of President Eisenhower.

Snead was five shots ahead of the field in chase for \$2,200 first money of the total \$12,500 pot after his 69 Friday gave him a 135 total going into the last two days of play.

Without Sam, who already has won here five times, this would be a wide-open scramble. Runner-up Doug Ford, at 140, has 11 men three shots or less back of him. Unless Sam begins to feel his age or has some other misfortune the real fight from here on in appears to be for the \$1,500 runnerup check.

Marciano Undecided About Retiring

BOSTON (AP)—Heavyweight boxing champion Rocky Marciano, undefeated in 49 straight bouts since turning pro, may decide next week whether to retire or keep on fighting.

Boxing writer Bill Liston of the Boston Traveler quoted Marciano as saying in a telephone conversation Friday "I can't give you an answer. I'm confused."

Marciano, who will be 32 in September, is in Florida after completing a South American tour. He lives in Brockton, Mass.

Liston quoted the slugger as saying: "I don't know my own mind. You can say I'm thinking about it. I'm not trying to kid anybody. I'm really thinking of forgetting about the ring. I am going to talk with my manager, Al Weill, next week. Then we'll have a decision."

Jackson TKO's Williams, Calls For Title Bout

WASHINGTON (AP)—Tommy (Hurricane) Jackson set up a new demand today for a heavyweight title bout with Rocky Marciano after his quick dispatch of England's willing but overmatched Johnny Williams. Starting slowly but failing away for two rounds, Jackson dropped Williams three times and won a technical knockout at 2:49 of the fourth round.

"We want Marciano—or anyone else if he won't fight," clamored Lou (Lippy) Bredbart, Jackson's manager and speechmaker. Jackson gave his approval with a happy "Yeah, man."

The 24-year-old windmill from New York's Far Rockaway section showed no signs of wear for his brief and decisive session with Williams in a televised scrap before 2,500 fans at Uline Arena Friday night.

Marlene Hagge Leads Zaharias Tourney

BEAUMONT, Tex. (AP)—A 4-under-par 69 Friday gave Marlene Bauer Hagge the first round lead in the fourth annual Babe Zaharias Golf Tournament at the Beaumont Country Club.

Finishing one stroke behind the Sarasota, Fla., golfer was Patty Berg of Chicago while two strokes behind the leader was defending champion Betty Jameson.

Mrs. Hagge's 69 was 4 strokes over Miss Jameson's 65 in last year's opener. Par for the 6,219-yard course is 73.

The \$5,000 tournament ends Sunday.

First round scores:
Marlene Bauer Hagge, Sarasota, Fla., 34-35-69.
Patty Berg, Chicago, 33-37-70.
Betty Jameson, San Antonio, 37-34-71.

Red Sox Tounce Phils 9-3; Yankees Whip Pittsburgh, 17-7

By ED WILKS
The Associated Press

Now it's official. Robin Roberts, who admits doing more "for the home run hitters than the lively ball or the laminated bat," is finally ready to shoot for his seventh straight season of 20 or more victories.

There was some nonsense about Robin, the Big One of the Philadelphia Phils' pitching staff, being rarin' to go after going nine innings and setting down the Boston Red Sox 2-1 last Tuesday. But Roberts was far from his old self—he had only given up two home runs in 33 exhibition innings.

That was away off pace for a guy who set a major league record last season by serving up 41 home run pitches.

It was the Red Sox, the same crowd who "proved" the big right-hander ready earlier in the week, who came back to put Robin in right Friday.

They put the slug on him for four home runs and 10 hits in his five-inning "warmup" for an opening day assignment next Tuesday and coasted in with a 9-3 decision.

Pitcher, Bob Porterfield started the barrage with a three-run pole in the second inning. Then Ted Williams and Jackie Jensen

Wisconsin Nears NCAA Boxing Title

MADISON, Wis. (AP)—The University of Wisconsin today held virtual stranglehold on the NCAA Boxing Championship, needing only two victories in six bouts to take the ring crown.

Two triumphs in tonight's finals at the University Fieldhouse would give the Badgers 32 points—two more than second place Idaho State could possibly total, assuming the Bengals won all three of their bouts.

The Badgers finished with 22 points—based on one point for each quarter final victory and three for each semifinal triumph—at the close of Friday night's semifinals. Victories tonight count five points.

Idaho State, an odds on favorite to return to Pocatello with the trophy until Friday night when only three of six Bengals survived, wound up with 15 points and three finalists. Defending champion Michigan State was third with 12 points and three finalists. Rounding out the first five teams were LSU with 8 and 2 and Washington State with 6 and 2.

Reds Win Hockey Series In Four Straight Games

CLEVELAND (AP)—The Providence Reds today ruled the American Hockey league for the fourth time in its 20-year history.

They topped the Cleveland Barons 6-3 Friday night to sweep the final playoff series for the Calder Cup in four straight games.

Indians Edge Giants Averill Wins Contract

MILWAUKEE (AP)—Earl Averill, whose dad averaged well over 300 in hitting for 11 seasons with the Cleveland Indians up until 1939, has won a Tribe contract.

The 24-year-old catcher has hit four homers and well over 300 in exhibition games, and manager Al Lopez says his work is "and the plate 'has improved 10 per cent.'"

Because young Averill has only three seasons of minor league experience, it was felt when training opened seven weeks ago that he would be farmed out before the opener. Now it appears he has the edge on Hank Foddes for third-string catcher.

The Tribe cut its roster to 32 Friday by returning second baseman Larry Raines to Indianapolis, which owned his contract, and selling first baseman Joe Altobelli to Indianapolis.

Besides Averill, two other rookies earned places on the roster south paw Buddy Daley, 22, who was 18-16 with last-place Sacramento last year; and outfielder Rocky Colavito, who hit 38 home runs last season.

Colavito, who scored the winning run Thursday against the New York Giants at Indianapolis, scored the clincher again Friday against Milwaukee. Both times he got on base with a double. Two long flies by Rudy Regalado and Vic Wertz brought him around Friday in the first inning after Bob Avila had homered with Gene Woodling on base by a single.

These trips here from Florida are getting to be too hard on Babe," said the 280-pound, former professional wrestler.

Zaharias made his announcement while he and a visitor, one of the first since Babe re-entered John Sealy Hospital March 29, waited for Babe to rest after taking an X-ray treatment.

It was her eighth trip to the X-ray clinic since doctors learned last week that cancer discovered last year in the sacrum of the base of the spine had spread slightly.

Trichologist D. W. Erickson, who headed recent study, shows part of special formulas used in scientifically planned home scalp treatment.

Hair Specialist Here Tomorrow; Will Show How To Save Hair And Prevent Baldness

CHICAGO, April 14.—New home treatment methods for saving your hair and improving its growth will be demonstrated in Salem on Sunday, April 15.

Trichologist F. B. Bennett, who represents the largest organization of its kind in the country, will be in charge. He will personally examine hair-worriers—men and women from 2:00 to 9:00 tomorrow at the Metzger Hotel.

At the home office of Erickson Hair and Scalp Specialists, D. W. Erickson, the dynamic young director, also announced a new, more successful method of treatment that you can easily administer at home.

Erickson emphasized that his new treatment is neither "mail-order" nor "cure-all." It is adapted to the individual after a personal examination and progress is personally checked by an Erickson expert at regular intervals.

WHO CAN BE HELPED?

"For many years now, we have regularly checked the hair of thousands of people across the country," he said. "We have encountered and dealt with hundreds of cases of each kind of hair trouble. And all this experience has gone into the preparation of our new home treatments."

Will his new treatment cure baldness? "No," said Erickson sincerely. "We can't help men or women who are sick-bald after years of gradual hair loss. But where your scalp is still creating hair, you can at least save and thicken what you have. And some conditions, such as alopecia areata or 'spot baldness,' usually have complete recovery if caught in time."

Other conditions that usually bring on excessive hair loss—dandruff, itching, irritated scalp, follicles clogged with sebum or seborrhea—can be corrected by Erickson home treatment if caught before the "hair factories" are destroyed.

Evidence of the success of Erickson's methods is that his organization has quickly expanded to serve 172 cities in 32 states.

The important thing is: "Don't wait until it's too late!"

SATISFY 99%

"Actually, our biggest problem is not in doing what we claim to do," Erickson said. "We satisfy more than 99% of our clients. That is a very good average too, when you consider that almost every person is a confirmed skeptic where his hair is concerned. So getting them to come in for examination is the problem."

EXAMINE YOU FREE
He made it clear that you incur absolutely no charge or obligation by coming in for an examination. "Your only obligation is to yourself to ease your mind of hair worries by learning how to save and thicken your hair. We will tell you frankly whether or not you can be helped, how long it will take, and how much it will cost. We do not accept cases involving systemic or organic disease. Such cases should be treated by a physician."

GUARANTEE SATISFACTION
"We guarantee your satisfaction within 30 days or it costs you nothing."

Call the Hotel Metzger tomorrow for Mr. Bennett's suite number, then come in to see him between 2:00 and 9:00 p.m. for a free examination and discussion of your hair problems. He does not make appointments, so come in at your convenience.

You won't be obligated or embarrassed in any way. Examinations are given in private.

In the opening tilt Donnelly's Cafe jumped off to a 24-16 first period lead over Salem Tool, but Tool outscored them 18-16 in the second stanza and Donnelly's 8 point margin was cut to 6 at the half-way point 40-34.

Donnelly's regained their balance in the third period however and rimmed 22 points to Tool's 19 and going into the final period of play had spread their lead to 62-53. The

leaders continued to dominate play in the final game and they won the game going away 96-73.

Carl Nothhaft tallied 25 markers to lead the victors, while Rich Hunter bucketed 28 to pace Salem Tool.

THE AKRON JOE All-Stars won the second game over the Lawson Sportsman 79-62. Akron Joe's led at the end of a lopsided initial frame 18-10, and boosted their margin in the second period as they scored 19 points to the Sportsman's 17. At the end of two periods Akron Joes held a 37-21 lead.

AKRON Joes padded their lead in the third period as they outpointed Lawson's 22-16 to spread their lead to 59-43. They slightly out scored Lawson's 20-19 in the final

period, to win the game easily 79-62.

Eckart and Darrow combined with 23 and 19 points respectively to lead Akron Joes, while Albert Fye meshed 19 to pace Lawson's. "O'Neill For Governor" of Lorain scored an easy 95-75 win over the Wampum, Pa. Victory Club in the third game. "O'Neill" stepped out in front in the opening frame 20-16, but a determined Wampum five came back in the second stanza and blasted "O'Neill" 26-14 and Wampum took the lead at the half-way mark 42-34.

"O'Neill's" was not to be denied however as they found the mark in the third period and dropped in 31 points and held Wampum to 17 tallies to regain the lead 65-59. They continued to score heavily in the final period and when the final gun sounded "O'Neill" had won the game 95-75.

Blepp-Coombs had to come from behind in the second half to win their game with the Salem Clippers 79-76. The fired up Clippers got off to a 24-19 lead in the opening period and outscored the 1954 champs 19-11 in the second frame to take a commanding 43-31 lead at the intermission.

Blepp - Coombs came roaring back in the third stanza however to outpoint Salem 24-12 and at the outset of the all important final period the two teams were deadlocked at 55 each. Blepps barely topped the Clippers in the final period 24-21 to win a tight contest 79-76.

Chadwick, Matthews, and Winder each hit for 16 to lead Blepp-Coombs in a well-rounded attack.

Indiana U. Dominates Table Tennis Tourney

ATHENS, Ohio — Indiana University teams dominated the National Intercollegiate table Tennis Tournament with one Hoosier team capturing the championship and another team placing third here Friday night.

The championship team of Ker Boggan, Gordon Barclay and Ben Baker defeated runner-up Upsala College, 5-1, in the round robin finals after whipping Dayton and the Indiana No. 2 team, both by scores of 5-0. Dayton finished fourth.

Frank Marconi

Marconi To Wrestle In Alliance Tonight

Frank Marconi of Salem will wrestle "Wild Bill" Zim in the first bout tonight at the State Armory in Salina. The match will be a one fall, 30 minute time limit event.

The main event will feature Gene Stanlee and Nick Roberts in a two falls out of three, 60-minute time limit bout.

Saddler Favored Over Boardman

BOSTON — Lightweight Larry Boardman thinks he's got the formula to upset favored featherweight champion Sandy Saddler in their 10-round non-title fight tonight—battle him on the inside.

The Boston Garden contest pits the 29-year-old veteran Saddler, who has lost only 14 of 169 fights, against the youthful Boardman.

Saddler — possessing a record of 104 knockouts — is an 8-to-5 favorite.

Larry has posted \$1,500 that he won't weigh more than 135 pounds — give or take a pound — when he climbs through the ropes. Saddler expects to go in at 131.

"The only way to fight Saddler is to bomb him inside," says Sam Boardman, father and co-handler of Larry. If you fight him from the outside those long arms of his will give him an advantage and he'll bust you up."
